DO YOU REQUIRE LODGING FOR YOUR GROUP?

Whether you are planning a family wedding, a sports tournament or a city wide conference, our experienced event lodging planners will use our leveraged buying power, due to our over 20 years of fostered relationships with all major hotel chains and brands, to negotiate the best rates and terms for you!

Our team is available 24/7 and will take care of reservations, changes, cancellations, etc. and provide you with a real time, dynamic rooming list and customized reports for your event.

We are committed to providing you and your guests with an excellent booking experience and outstanding customer service.

Our state of the art technology allows us to generate a personalized and fully branded booking website for your event to provide you and your guests with a reliable and efficient hotel booking experience.

Our professional event lodging team allows you to sit back and relax, knowing that quality hotels and competitive rates are secured for all of your attendees. We are passionate about what we do, and we utilize our 20+ years of event experience to manage your event lodging needs.

Do you require airfare for your group? Please let our event team know about your requirements, and we will find and negotiate the best possible airline ticket rates for you!
